American actors Will and Jada Smith and their children, Willow and Jaden, rescued and adopted a beautiful little abandoned puppy they found in Beijing while son Jaden was filming “The Karate Kid.” The newest member of the Smith family has been named “Xiao Yong” ( “Brave Little One” ) and is cute and friendly, and very loving!

While visiting ICVS and learning about the [Trap-Neuter-Return program](#), Jada and Willow also fell in love with two stray kittens, Efigenio and Bonafacio, that were rescued from the compound of the Embassy of Portugal by the Ambassador and his wife.
